

Lynda Hyde Art - Prints & Works on Paper Available -

Updated June 28 2020

PRINTS

All prints are limited editions. They are individually hand printed, signed and numbered. They are not mechanical or digital reproductions.

They are printed on high quality Japanese Sumi, Washi Paper or Mulberry Paper.

Being Hand Printed, both the Inking process and pulling the image off the plate does lead to variations in the final image. Each is slightly different.

The edition number of the print you purchase may be different to that shown in the example image.

Please refer to the Website to view Images or download this PDF for Thumbnails of each.
